Tennessee Division Reunion 2013

April 26-27, 2013

Hosted by Camp N. B. Forrest #3
Chattanooga, Tennessee

The beautiful Colonnade Catoosa County Civic Center has been selected for our 2013 Reunion. Located in North Georgia, just south of Chattanooga, the site was selected for its proximity to the Chickamauga National Battlefield.

LONGSTREET'S CHARGE

As the Sesquicentennial of the War Between the States comes to East Tennessee, it is appropriate to commemorate The Army of Tennessee's greatest victory, Chickamauga. As the architect of that victory, we are honored to recognize Lt. Gen. James Longstreet's exploits at Chickamauga as our Reunion theme.

BATTLEFIELD TOUR

A guided tour of the battlefield will be offered for all attendees and their guests. The theme will be Lt. Gen. James Longstreet's Corps and their role in the victory at Chickamauga.

GUEST TOUR

Bring your spouses and children. Chattanooga is a vacation paradise with entertainment for all ages. The downtown Riverfront with two aquariums, theaters, restaurants, Discovery Center and Riverwalk offers all day entertainment. A tour will be offered for guests while Reunion business is in progress.

Commanders Column

I hope everyone had a very happy and blessed holiday. As we ready ourselves and the Division for the calendar year of 2013, looks like it will be busy all over our state with the many 150th events large and small. Let's do our duty and remember our Southern Heritage. Don't forget to get those event dates posted on the Calendar of Events.

I ask everyone to continue to purchase and renew SCV tags and don't forget to go and get those motorcycle tags as well. The license plates and Kroger cards help us fund projects, so please continue to support the Division. Also remember to encourage your family, friends and neighbors.

With all the happenings in Memphis regarding the three Confederate Historical Parks name changes by City Government, a reminder to pray and send your donations to help the N.B. Forrest Camp #215 assisting in the fight to save our history.

Keep in mind the registration for the TN Division Reunion and Convention on April 26-27, 2013 is coming quickly. The event this year is hosted by N.B. Forrest Camp #3 of Chattanooga. We have work to do!

CITIZENS TO SAVE OUR PARKS

The Memphis Brigade of the Sons of Confederate Veterans is in a good fight to preserve our three Confederate themed parks in the Memphis area.

Forrest Park

To get an idea of what we are up against go to:

<http://www.commercialappeal.com/news/2013/mar/05/last-signs-of-three-confederate-themed-city-are/>

You can support this effort by visiting www.citizenstosaveourparks.org to voice our opinion on the attempt to change the names of the Confederate Parks in Memphis, TN. The site contains contact information of the city council and also how to contribute to the effort. In the event legal action is required we will need all the help we can get.

Help us get the word out that this change is not in the best interest of the city, the state, or the memory and honor of the Confederate Soldier.

Mark Buchanan
Memphis Brigade Commander
Lt. Commander Robert E. Lee Camp
Sons of Confederate Veterans

Dear Compatriots:

We appear to now be "at war" in Memphis. Our brothers there have acted in an exemplary manner, but have been met with contempt. Lee Millar, the SCV representative there sent this to me on Thursday afternoon --

Gene,

It appears that our Memphis City Council will not be swayed by facts or reason and are determined to erase our Confederate Parks.

We must now resort to the courts.

We are strapping in for, perhaps, a long, rough ride. It will take money to see this through - and see it through we must. This is one of the most important Heritage battles that we have faced in a number of years, so we need to "count the cost." Does this matter... are we willing to contribute to this fight... if we should loose, what then? How do we put a price on this?

I am sending you, again, the link for the legal defense fund website--

Here, also, is the mailing address:

Citizens To Save Our Parks

P.O. Box 241875

Memphis, TN 38124

I'm throwing out a challenge - HELP OUR COMPATRIOTS IN MEMPHIS RAISE \$60,000 BY THE END OF THE MONTH. It shouldn't be that hard... this works out to about \$2 for every SCV member - and this is EVERYONE'S fight.

·**Give generously; send to the above address**

·**If you are unable to give, encourage your Camp Commander to lead in a giving effort - camp allocation, "pass the hat" collection, whatever**

·**Division Commanders: take the lead, here. Challenge the other Divisions to meet your contributions; motivate your Camp Commanders**

·Distribute this to members of other Heritage organizations (UDC, DAR, SAR, etc.), as well as veterans groups (VFW, American Legion, etc) - this is not just "our Confederate problem", but part of a larger problem of deconstructing our history as Americans

·Most importantly... PRAY

This is when we decide what we're all about as an organization... "Meet, Greet, Eat and Retreat?" How 'bout, "Turn up the Heat; Send our enemies to Defeat!"

Let's show the world that the name of our one and only President... the name of our most innovative and overachieving General and the simple moniker, "Confederate" still mean something... not only in Memphis, but throughout Dixie and beyond. Please give.

Urgent Notice

2012 IRS Annual Electronic Notice Filing Requirement- must be filed every year

SCV camps with gross receipts less than \$50,000 a year are **not** required to file an IRS Form 990 tax return; ***HOWEVER***, beginning August 1, 2012, the day after the previous fiscal year ends, all camps are required to submit an annual electronic notice by **December 15, 2012**. Your cooperation is requested as it is imperative that every camp complete this simple task. Shown below are some simple instructions to assist you in completing the IRS E Notice requirement:

1. Obtain your camp's tax ID number and copy it into your computer memory or have it written down and readily available. GHQ can provide this number to the camp if needed.

2. Go to this site and follow the instructions:

<http://epostcard.form990.org/>

Important Notice: You must register first, and then **be patient** and wait for the IRS to immediately send you a return email with a link for you to log back on line to actually complete the E postcard. If you use zip plus four put a dash in between the first five and last four digits.

Extremely urgent information to regain your tax exempt status on the next page.

Procedures for Regaining Tax-Exempt Status

Three years ago the IRS began requiring small non-profit organizations, and the local branches of larger non-profit organizations, to file an electronic tax return:

<http://epostcard.form990.org>

The IRS rule established regarding these filings, which we publicized by General Headquarters in the Confederate Veteran magazine, on the SCV Telegraph and on the front page of scv.org , providing instructions on how to file the E postcard, emphasized that these annual filings were mandatory and could only be accomplished online.

In subsequent years the information regarding the filing was updated by an IRS pronouncement that any organization or local branch, under the Group Exemption Number of a national non-profit, that did not file at least once in the last three years would have its non-profit status revoked.

Now that the three years time frame has passed since the e-filing for Form 990 was enacted, camps that have not filed the required form are receiving letters from the IRS stating that the tax exempt status has been revoked.

SCV camps who receive this letter which would like to reinstate their tax exempt status will need to complete IRS Form 1023, which is essentially an application for recognition of Exemption under Section 501©(3). You may access this form at:

<http://www.irs.gov/pub/irs-pdf/f1023.pdf>

This is a long form that requires patience to go through to complete the numerous entries required.

The form stats that a \$400 application fee is required; however, SCV Headquarters has been informed that this fee will be \$100 for entities with less than \$25,000 in annual revenue.

The only way for a camp which has been notified by the IRS that it has lost its tax exempt status to regain its tax exempt status is to file Form 1023. We regret that there is no way for General Headquarters to assist in this matter.

Saving Tennessee Battle flags!

By: Ronny Mangrum

Happy Confederate New Year Compatriots! Hope the New Year finds you all well, happy, & your camp making plans to continue to honor our ancestors in 2013. Since the last article I shared with you we have made some flag conservation strides. The Sam Davis Camp 1293 & the Roderick, Forrest's War Horse Camp 2072 have completed fund raising to conserve 3, count them, 3 Tennessee flags!!! James Turner of camp 1293 has spearheaded fundraising for the 14th Tenn. Infantry Flag. The Roderick camp sorta got a two for one with the 24th Tenn. Infantry flag & the 50th Tenn. Infantry flag.

I reported last time about the rough condition the 24th flag along with how it was mounted backwards & had the missing canton art. At the conclusion of our annual Confederate Flag Benefit in Aug along with Tenn. Division SCV tag money & the wonderful Order of Southern Cross we raised the \$24,000 needed to conserve this unfortunate First National flag. Sadly, when the conservators came down to inspect it & other flags before Christmas they examined the silk 24th & deemed it unfit for conservation for several reasons. Apparently it was mounted backwards back in the 1960s because someone had literally sewn the old flag to a piece of cloth using white silk thread which adhered to the flag. Then there was the removed artwork issue to consider. The flag will merely be chemically treated & replaced back in storage.

Flag of the 24th TN Infantry

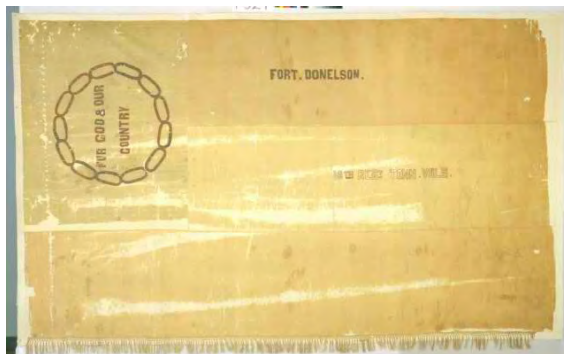

The good news is that we have a big head start on the next flag. So, we adopted the very unique looking 50th Tenn. Infantry's 15 star St. Andrews Cross flag. Cost for conservation is \$25,000. This cotton flag is not made like any others & is larger too (50 X 60). It seems to suffer with a lot of souveniring. All we needed was a mere \$1,000 to save this neat looking battle flag. And we got it before the end of 2012 thanks to several donors from Facebook and a generous donation of over half the money from Ft. Donelson Relics owner & 50th Tenn. Infantry re-enactor Mr. John Walsh. Thank you very much sir!!!! Your name & company will be forever linked to this glorious battle flag as all major donors have their gifts recorded into the flag's file.

The flag of the 50th TN Infantry

Well, the 50th flag was easy. Which flag shall we adopt now? Ms. Adelson gave our helpers & donors a tour Dec 28 of the State Museum's storage to see the 20th flag that has been returned, the unfortunate 24th flag, the cool looking 50th flag, along with numerous other flags in the Museum basement.

Before we left the museum we got our first glimpse of the large silk 18th Tenn. Infantry's First National flag that was first flown at the Battle of Murfreesboro 150 years ago. This flag was said to be made from parts of Gen. John C. Breckinridge's wife's wedding dress & features 13 chain links rather than stars in the canton along with a cool slogan. "For God & Country" inside the circle of links. This flag replaced the flag surrendered at Ft. Donelson & it had 6 color bearers shot down carrying it at Murfreesboro. After the two day battle the final flag bearer, for some reason, gave the flag to a lady friend for safekeeping where it remained till after the war. It was donated to the State Historical

Society in the 1920s. It also suffers with the intrusive preservation work done during the 1960s. We need \$35,000 to save this one so please help us out if you can. We're gonna need it.

Roderick camp has many members & other flag fans to thank for our success. First thanks go to the people who help us put on the Confederate Flag Benefit. (Too many to list here.) Second goes to all the people who show up to support us every year. Next I have to thank the Tenn. Division for the SCV tag money grant along with the Society of the Order of Southern Cross for their generous donations to complete the three flags we have adopted so far. Also like to thank my place of employment, S & G Custom Cycles, since the daunting task of organizing the benefit every year finds me doing a lot of work while I am at work. A special thanks goes to owner/compatriot Sam Goodman!!!! If you ride a motorcycle do business with a Southern bike shop. Our next fundraiser will be on Aug 10 so please consider joining us or send a donation to help us achieve our lofty goal again. We are gonna need all the help we can get to conserve the 18th Tenn. Infantry flag.

Also if you, your camp, or any other organization is interested in adopting one of the two dozen Tenn. Flags on the endangered list please let us know! If we Sons of Confederate Veterans do not do this who will???

Donations & inquiries may be mailed to Roderick 2072, 1114 Galloway Street, Columbia, TN. 38401. Look for us on Facebook, "Confederate Flag Benefit" and check out www.saveourflags.org to join us. Contact Ronny Mangrum at celticgranda2@yahoo.com or 931-374-8368.

Save Our Flags

By James Turner

www.saveourflags.org

"We did it! The Southern Cross battle flag of the 14th Tennessee that was captured during Pickett's Charge at Gettysburg will be conserved, and is now in line to be shipped to the conservator this summer. This Richmond Depot flag was the first flag selected by the Tennessee State Museum for the Tennessee Division's "Save Our Flags" initiative, and we are optimistic that we can carry forward until every Confederate flag in the museum is up to standards.

At this time we are awaiting one final check from a very generous group of reenactors – the 14th Tennessee Infantry out of Virginia and Maryland – and then our fundraising of \$12,500 will be complete.

The flag of the 14th TN Infantry

As an aside, even though our website at www.saveourflags.org is well visited, the primary means of communication we have is through our Facebook page at www.facebook.com/saveourflags. There we have almost 1,200 people following us, and the numbers continue to grow, giving us an audience that we had not anticipated. Plainly, we see this as an unexpected opportunity to educate folks as to the different styles of Confederate flags and their meaning, as well as other items of historical note. The folks that follow us are from all across the United States, with several from abroad, and we hope to continue to grow that audience, as so many are truly interested in learning more about the Confederacy and its emblems."

The Oldest House in Gainesboro Will Be Restored

By Ed Butler

On January 19, 1862 Confederate forces under the command of General George Crittenden were badly defeated at the Battle of Mill Springs in South central Kentucky. This battle is also known as the Battle of Fishing Creek or the Battle of Logan's Cross Roads. Many of the Confederate soldiers carried old flintlock muskets. The heavy rains that fell the preceding night and much of that day dampened their priming powder and rendered their muskets useless. Also, one of their favorite leaders, General Felix Zollicoffer, was killed when he mistook a group of northern soldiers for part of his own command and was shot at close range.

Immediately after the battle, the process of transporting the wounded and dying Confederates down the Cumberland River to locations in Tennessee where they would be cared for by local doctors and the local populace was begun. For many of the wounded and the main body of soldiers, it was a long march down roads of mud that had been traveled by wagons and artillery.

Gainesboro, in Jackson County, is located where the Roaring River flows into the Cumberland River. Nearly every house in this small town was used to house wounded soldiers. One of those houses was known as the Gaines House. It has been known over the years by other names including the Putty House and the VanHooser House. Very little is known about the history of this house because three Jackson County Courthouses have burned over the years. Some of the sketchy and sparse records kept during its early years were destroyed in these fires. It is thought to have been built in the late 1820s or 1830's by a man named Putty for Major Gaines. Major Gaines was a Revolutionary soldier that settled in Gainesboro after the war. The exact year it was built is unknown but it is generally accepted today that it is the oldest house in Gainesboro and one of the oldest in Jackson County. It is located at the corner of North Murray and Dixie Street and was occupied as a private home until the late 1900s.

In 2001 the house was purchased at auction by a group of local citizens that were concerned that it would be destroyed by vandals or be demolished. The original portion, which is the front rooms, was then stabilized and some cosmetic work was done. However, much restoration work is left to be done to restore this house which has been an important part of Tennessee's history. This house and the fact that it was used as a hospital is mentioned more than once in the "Official Record of the War". During the work done to stabilize the foundation of the house, several items were found that testify about its use as a hospital. Someday these items and others, which will likely be found during restoration, will be displayed in the house.

In order to provide income that will sustain the maintenance of the house, it is thought that the older of two additions to the back of the house should be remodeled or replaced and utilized as a meeting room for local groups. That addition was built in the 1920s. The second addition was built sometime after World War II and will have to be demolished. The need for a meeting room of this type has been mentioned by several local leaders and citizens of Gainesboro and Jackson County. Other ideas for utilizing the house have been proposed. All options are being considered. Professional guidance and assistance will be utilized after the final decisions are made.

The Gaines House is on the National Register of Historic Places and is an important part of local history to many people on the Upper Cumberland Plateau. As an important historic site from the early 1860s it will be included in the Tennessee Civil War Trails brochure.

The Gaines House Association was recently formed and consists of members of the Sons of Confederate Veterans, the Order of Confederate Rose, and local officials from Gainesboro. It is a 501-c-3 organization so your donation or membership dues are tax deductible. An Annual Membership is \$20, a Sustaining Membership is \$100, and an Endowment Membership will start at \$1000. The first one-hundred Sustaining Members or Endowment Members will be designated "Founding Members". Their names will be inscribed on a plaque that will be hung in the house when it is finished. We hope you will join us in this endeavor to preserve this historical site that witnessed so much suffering and the death of many of our valiant ancestors. All donations and membership dues should be made payable to the Gaines House Association and sent to: Gaines House Association, P. O. Box 462, Gainesboro, TN 38562
